A horizontal bar chart titled 'CityWise' on the y-axis. The x-axis is labeled 'No of Millions' and has a scale from 0 to 20 with major grid lines every 10 units and minor grid lines every 5 units. There are five green bars representing different cities. The bars are ordered from top to bottom: Delhi (27), Mumbai (15), Chennai (11), Cochin (11), and Bangalore (5). The exact value for each bar is written at its end.

City	No of Millions
Delhi	27
Mumbai	15
Chennai	11
Cochin	11
Bangalore	5

Occupancy Rate of Hotels

A bar chart titled 'Foreign Tourisit Visits' (note the typo in the original image) showing the sum of millions of foreign tourist visits for five Indian states. The y-axis is labeled 'Sum of Millions' and ranges from 0.0 to 0.3. The x-axis lists the states: Punjab, Maharashtra, Delhi, Karnataka, and Kerala. The bars are blue, and the exact values are labeled above each bar.

State	Sum of Millions
Punjab	0.31
Maharashtra	0.18
Delhi	0.10
Karnataka	0.07
Kerala	0.06
